

# English extra works for 4<sup>th</sup> graders 2<sup>nd</sup> semestre

(in the times of schooling online)

**DEADLINE: 28<sup>th</sup> MAY**

You may prepare:

1. **PROJECT POSTER** in Power Point/Canva regarding any English speaking country, eg. Great Britain, the USA, etc. Regular rules apply (min. 20 sentences, glossary with min. 10 new words, it should include photos and, ofc, sources). YOU WILL NOT HAVE TO PRESENT IT IN FRONT OF YOUR CLASSMATES, just submit it.
2. **VOCABULARY POSTER**. Same rules as always, choose the topic, find min. 20 new words connected with it (eg. BICYCLE AND ITS PARTS... I wonder how to say 'szprychy' in English? ;)), draw it, name the parts and learn them by heart. You may also do it on the computer! Submit the photo/screenshot of it.
3. **INTERVIEW**. Have you ever wanted to be a famous musician or whoever teenagers want to be nowadays? Then this idea is for you. Record an interesting dialogue with a classmate (both of you can get additional %!) and prepare its tapescript.
4. **POEM**. Record a video of yourself performing the poem learnt by heart for the poetry competition. Make sure your pronunciation is correct. Don't forget about a costume, props and anything that will make it memorable.

5. **LAPBOOK**: simply a file folder that contains a variety of "mini books," foldables, and other material that cover detailed information about the lapbook's central topic. Lapbooks can focus on a specific topic, such as Past Simple tense, or serve as a reference tool for various skills, like basic Unit vocabulary etc.

*and last but not least... <drumroll> ...*

5. **COMIC STRIP**: Choose any topic and create your own comic strip. You may use [www.pixton.com](http://www.pixton.com), but! remember, you do not need to pay anything, just take screenshots at the end, paste them into PAINT and voilà:
